Nissan Forklift

Nissan Motor Co. Ltd prides itself on attaining total client contentment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan lift trucks provide many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the company has four distinct production facilities that permit them to continually adapt to their customers continually evolving desires by providing a range of modern ideas and concepts.

The Nissan Lift truck North and South American base is located in Marengo, Illinois. A devoted team of 350 personnel is committed to the collaboration, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to sustain environmental accountability by using techniques that minimize the worldwide impact of their products and processes. These high standards remind clients that Nissan operates under the quality seal that their customers command whilst being an environmentally aware corporation.

Nissan is certain that they will be capable of addressing any client questions or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their locally authorized dealers or even visiting their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
